May 2023 U.S. / Mexico First Mates Contest - Terms and Conditions

Revision: April 27, 2023

1. General. These terms detail the “May 2023 U.S./Mexico First Mates Contest” offer. We’re offering our United States- and Mexico-registered travel agents (that is, “First Mates” in our branding voice) the opportunity to win two (2) round trip economy-class airline tickets from a major U.S. or México airport to Melbourne, Australia plus a free voyage for two (2), to include voyage fare, taxes and fees, on Virgin Voyages’ inaugural voyage out of Australia, which we’ve branded the “Aussie MerMaiden” Voyage. The Aussie MerMaiden Voyage departs from Melbourne, Australia on 11 December 2023.

2. How to Enter. Starting midnight following 30 April 2023, any United States- or México-registered First Mate booking a voyage on an eligible voyage will earn the First Mate completing the booking one (1) entry into the May 2023 U.S./Mexico First Mates Contest offer. Each additional completed booking will earn the First Mate one additional entry. The entry period will close as of 11:59:59 p.m. local U.S. east coast time on 31 May 2023. A drawing will be made from the entries at random on or about 07 June 2023; that First Mate will be declared the “Winner.”

3. The Prize. The Winner will receive a round trip airline ticket to/from an airport listed below and berthing accommodations in a “The Sea Terrace” cabin on Virgin Voyages’ cruise ship RESILIENT LADY on her inaugural voyage out of Melbourne, Australia. The airline ticket and voyage accommodations will be for the Winner and their Guest (the “Prize”). The Aussie MerMaiden Voyage is a five (5) night voyage departing from Melbourne, Australia on 11 December 2023.

4. Eligible Voyages. Any Virgin Voyages’ itinerary sailing that is open for sale.

5. Caveats.

Winner and Guest must travel on the same itinerary. Agencies may not pool their bookings, nor are agencies eligible to enter. Virgin Voyages reserves the right to modify these terms at its sole discretion. Bookings must be fully deposited to qualify as an entry. Booking in Offered Status (OF) or canceled bookings do not count as an entry. ARV for the “Aussie MerMaiden” voyage is USD \$2,950 plus cost of the roundtrip flight, which necessarily depends on where the Winner is departing from. The Winner and Guest will be subject to the Virgin Voyages’ Terms and Conditions at <https://www.virginvoyages.com/Web-Marketing/addl-terms-and-conditions.html>. If the Winner is unable to travel, we reserve the right to select an alternate Winner. The game clock for this program shall be maintained by Virgin Voyages. This offer shall be governed by the laws of the State of Florida, USA.
