ANNOUNCING THE ADDITION OF GUATEMALA

Explore the richness of this Central American country

Guatemala's lush rainforests, majestic volcanoes, and staggering Pacific and Caribbean coasts add to its allure as the birthplace of the ancient Mayan civilization. Guatemala City, the capital, is the most populated city in Central America. Along with the archaeological wonders of Tikal and the pristine Lake Atitlán, Guatemala's colonial past and Mayan Heritage make for an incomparable vacation choice. Rich in culture and history, Pleasant Holidays is proud to add Guatemala to its growing Central America vacation portfolio.
