

## MUSIC OF THE DANUBE

Available on just two special sailings of our *Enchanting Danube* itinerary in 2025, we'll be sailing an enhanced program designed to highlight the musical heritage and culture of the destinations along the Danube River.

Through several onshore excursions and onboard experiences included on these dates, you'll take a deep dive into the region's distinctive classical, modern, and folk music.

## EMBRACE THE MUSIC HERITAGE OF EUROPE

*Sailing on Enchanting Danube in 2025*  
August 3 | November 2
